

## Answering Page

First-time answerers have to complete personal information like the education background or provide some certificate of working experience, which aims to ensure the answerers' quality and helps users to socialize.

tools for completing answer

Mobile app interface showing a form titled "完善资料后方可作答" (Complete information before answering). The form includes dropdown menus for "您的学校\*" (Your school), "您的学历\*" (Your degree), "您的学院\*" (Your college), "您的专业\*" (Your major), and "您的入学年份\*" (Your year of admission). Below these is a text input field for "其他" (Other) with a note: "如果上面没有您的信息选项, 请填写您的相关职业、工作经历信息, 内容越丰富越容易通过审核哦 (可附图说明)". A "确认" (Confirm) button is at the bottom.

Mobile app interface showing the "Posting" screen. The title is "如何评价 DeepMind 发表在 Nature 的论文公...". The content area contains text about AlphaGo Zero. A green checkmark and "发表成功" (Posted successfully) message are visible. At the bottom, there is a status bar "已于12:00分存入草稿箱" (Saved to draft box at 12:00) and a checkbox for "匿名回答" (Anonymous answer).
